## Membership News

**11** club members attended our first “**work camp**” at Wayne National Forest the weekend of April 1. Keith Wyant hosted us at “Bubba’s Shack” with pancakes on Saturday morning. Steve Petron, Gary Rezabek, Donna Sponsler, Rich Sponsler, Mark Criss, and Howard Roche attended the ATV Safety Course. Keith Wyant, Harry Edwards, Mary Anne Edwards, Rebecca Wiseman, and Scott Robison cleared the trails to Snake Hollow where we stopped for lunch. After lunch the group from the safety course joined us and we split up to check our sponsored Snake Hollow loop. All I can say is our group definitely got the bigger trees to clear. Thanks to Bill Scripp and Stan Carte for being our forestry contacts. Check out the pictures on the website.

## Ride Recaps!

### March 26, Bear Creek

**15** club members turned out for our only ride in March, at Bear Creek. It was a wonderful sunny day. Grant Blasco traveled up from Columbus and our fearless treasurer, Peggy Hickin road a spell. We enjoyed sloppy joes, hot dogs, and polish boys for lunch. Fabulous cookies came from Pattie Loveland’s nephew Dominic. It was basically an uneventful ride except for that new Honda Rincon of Charlie Criss’s which got buried in the mud by his

son Jason. More pictures are on the website.

## TIP BOX

### EASIER MUD REMOVAL:

From: Gerard and Vickie Lowiec

They suggest spraying PAM on the underside to aid in the mud removal. It also is supposed to help keep the mud from sticking so much. Who would have thought it. Thanks for the tip!
