This month we have new members, Eugene and his wife Catherine Nevery as well as their daughter Cristina. They live in Russell Ohio. They ride a Polaris Ranger RZR. They enjoy camping and the outdoors in their Roadtrek motor home.

They are attending the 4th of July ride at Four Seasons and expect to have a lot of fun meeting people and making friends.

## Club Sponsored Ride Info

### Recap from Coal Creek OHV ATV Trail System

Eleven individuals rode the Coal Creek OHV ATV Trail System. We covered approximately 150 miles in three days of riding. Riding was excellent: Good fast straight-aways, challenging hill climbs and many mud play areas: everyone enjoyed the riding. The view from atop the TN mountains was spectacular. The Bed and Breakfast was a hit. There was a full course breakfast ready each morning for all riders. Thanks to Sandy Hatfield, owner of the B&B, the trip was well worth the nine hour drive. We will be going back next year for sure.

## Ride Recaps!

### Bubba Shack

The June 20 ride went well overall. There was one of the smallest turn-outs in Bubba Shack history though. The riding was good and there was a big meal Saturday night, and as usual the pancake breakfast Sunday morning. No trail work was done on this ride.

### Blue Tip Parade in Wadsworth

This year the club decided to participate in the Blue Tip parade held in Wadsworth. About 15 members participated. Some rode their quads, some walked and handed out candy and club brochures, and others still rode on the club trailer and waved. There was a lot of positive exposure for the club. Also a big thank you to Harry Edwards for towing the club trailer. Afterwards everyone went to the Sponsors for a meal. Everyone had a great time.

### Dales June 7 & 8

There was a good turn out for this re-scheduled ride at Dales. About 27 people made it out to Garrettsville. There was good riding on Sat. and Sun. There were lots of new trails. The bugs during the night were unfortunately very bad, hindering some of the nightly activities. But overall there was great riding conditions and no injuries to report.

## Other Business / Commentaries

### Reciprocity

As of June 23rd reciprocity is in effect. This restores all-purpose vehicle registration reciprocity in Ohio. This will allow Ohio residents to ride Ohio registered vehicles in designated other states without having to register their vehicle in those designated states. It also allows owners of all-purpose vehicles in other states to ride in Ohio without having to register in Ohio. For example we will now be able to ride in PA in their state parks such as the Allegheny State Park without going through the process of registering our ATV with PA.

### Meals

As usual there is a sign up sheet that goes around during meetings to sign up to provide the meal at the monthly meeting, but if you are not at the meeting and would like to help out you can contact out meal coordinator Sharon Rovito at rovitolee@yahoo.com. The only cost to you is the time preparing and delivering the meal, the cost is compensated for up to a certain amount. Remember, if no one signs up for a month, there will be no meal.

### Anniversary Party

Due to the lack of interest in the Anniversary Party that was going to be held at Pioneer Waterland the Anniversary Party will now be as it has always been. It will be held July 10th, the usual night of the meeting at the VFW. Only 15 of the needed 25 people made the RSVP to go to Pioneer. Keith Wyant will be cooking for the party. Please make an effort to get out and celebrate our club's 10th anniversary!

## Reverse Raffle News

Please help us to improve the South East ATV Reverse Raffle if you can answer a few questions and add any comments to make 2009 great!

1. Where would you like to have the Reverse Raffle held?
2. During what time of year should the event be held?
3. What should be the price?
4. What types of prizes would you like to see in the Chinese Auction?
5. Any other suggestions?

Thank you for taking the time to complete this survey. The earlier we get this back, the earlier we can start planning the 2009 Raffle. Together, let's strive to make it great!

Thank you in advance, please send your responses to renzotish@yahoo.com

## President's Corner

Some of you have mentioned to me about not receiving club correspondences. I have made some corrections and updated my list and sent it to the officers, webmaster, and newsletter editor for confirmation. We will have a list at our July Anniversary Celebration so you can confirm your email address at that time.

I would like to remind everybody that if your contact information changes please let the vice president know so he can keep the membership information updated and advise the rest of us of the changes.

Discussion and rumors have been occurring regarding the club trailer use guidelines. Let me provide a time table so everyone is up to date on what has really occurred and where the guidelines stand:

1. June 2007 a rough draft of the guidelines is created by the officers at time of purchasing the trailer to lay a ground work for the membership to work off of.
2. A copy of this draft was given to every member on the trailer committee and read at a club meeting
3. The officers received 1 or 2 comments from the membership
4. September 2007 copies of the rough draft were personally handed by me to Jim Piskac, Bob Jakubiec, Dale Needham, Rich Wiseman, Terry Goldhamer, and I think to Bob Molody and Ken Greene too. Printed copies for any member to take provided at the meeting by our club secretary. Club officers again asking for feedback.
5. Spring 2008 copies made available again to club members at the meetings by our club secretary. Once again asking for feedback.
6. May 2008 Officers Meeting - with no feedback from the membership the officers finalized a draft for membership approval. It is presently being typed up by the club secretary.
7. July 2008 the revised draft of the trailer use guidelines to be available for all club members with comments and/or suggestions to be submitted to a club officer by the August meeting. We hope to vote on and approve the trailer use guidelines at that time or no later than our September meeting.
