Ride Recaps

The rain couldn't stop Renzo & Vincenzo Calabrese along with Harry and myself to attend Tour de Forest, May 15-17. Saturday morning started off very nice with their all you can eat pancake breakfast. While stopping for lunch where the counter girl took a fancy to Finley and cut up a hot dog for him to enjoy, the rain started to come. We rode several lumber roads along with multiple snowmobile trails for a total of 67.5 miles. There is approximately 90 miles but we did not complete all the loops. By the time we got

home all 5 of us, including the dog, were soaked. Hot showers made us all feel better. After a steak and pork chop dinner the rains parted and even though Renzo and Vincenzo started for home Harry and I enjoyed a fire till we had no firewood left. We hope for better weather this fall but staying at Forest Lodge was nice for there was no trailering involved once we set up camp.

Upcoming Rides Continued...

Return to Kentucky

The Goldhamer family is planning to make a trip back to Kentucky to the Daniel Boone National Forest June 29-July 3. There are over 150 miles of trails between the Daniel Boone NF and the Redbird Ranger District Trails. The campgrounds have electric, water, and cable with a central dump station. Slots are \$20/day. From the Rovito Family...

We thank all our friends from the SEATV Club for your thoughts and prayers during our recent loss of Greg's brother. Our family enjoyed the fruit arrangement.

From the Meal Coordinator

Thank you to Harry and MaryAnne Edwards for the May meeting meal. We all enjoyed soft tacos. Bill Snyder will be providing the meal for our June club meeting. Our newest club member Pete Yedrzejek will be assisting with the Anniversary Club meal in July. Pete works for Romitos Italian Restaurant in Northfield and graciously offered to bring some of their delicious selections. We will be voting on the allowance during our June Meeting.

Reverse Raffle News

The Reverse Raffle was a complete success! More tickets than ever before were sold and the club made a record profit this year. A huge thank you goes out to Renzo and Tish Calabrese who served as the chari people and the entire committee, without these people the Reverse Raffle would never have gotten off the ground. Also thank you to all those that volunteered during the night, there is a lot to do and a little help goes a long way.

La Vera party center, where the Reverse Raffle was held this year, was a fabulous facility and provided the club with everything we needed. The food was just right and the DJ kept the mood going. Everyone thoroughly enjoyed themselves. We even raffled off a youth quad this year thanks to State 8 ATV.

Every year the Reverse Raffle has been growing and getting better, next year hold a lot of promise, and it should be one of our goals next year to completely sell out the tickets. Again thank you to everyone that was involved and we hope to see you at next year's Reverse Raffle.
