Reverse Raffle Update

As of February 25 we have **36 tickets that have been paid for** and there are **54 tickets out to several club members. Those also I am considering "SOLD."**

So that brings the **TOATL of TICKETS SOLD to only 90.**

We still have 109 tickets available. **The bottom line is that we need to sell 80 more tickets or the Reverse Raffle will be CANCELLED for this year.**

The deadline for a commitment to purchase tickets is our **March Meeting on 3.11.2010.** On March 12th I will contact the caterer and cancel the event in the event of too few ticket sales. The club will lose our initial deposit of \$500 but I feel this is better than holding the raffle and having to pay the \$2500 grand prize out of our checking account hoping we can make up the difference the night of the event.

I personally think we can still make this year's reverse raffle a **SUCCESS.** I know these days are pretty financially stressing but the membership voted in Oct. 2009 to hold the event. It's now **TIME TO SUPPORT** your club and purchase your tickets!

President's Report

Greetings SEATV Members:

Just think Daylight saving time starts March 14. With that SPRING must be around the corner. I know I am looking forward to the warmer weather. I was just thinking the other day how as a kid I saw the grass disappear in November and did not see it again until April.

With the warmer weather approaching it is time to start thinking about ATV RIDING!!

Now is the time to start considering hosting a club ride for our 2010 riding season. MaryAnne and I will be organizing a few weekends to Alleghany National Forest this year. I look forward to seeing some other club members planning a few trips too.

On another note, our March meetings is nominations for upcoming elections. This year the positions for President and Treasurer are up. Nominations will be held at our March & April meetings with elections to take place at our May meeting. The two officers will assume their duties at our June meeting.

Jackman Maine Update

24 members and their quads will be leaving Sunday, June 13 for Jackman, Maine. We will spend our first night in Kittery, Maine before heading to our cabins Monday morning at Cedar Ridge Outfitters. 4 club members will be taking their motor homes up and will stay just three miles away at Moose River Campground. One club members has decided to make this a family vacation bringing along his wife and other children for the week.

We will have a farewell to Maine dinner on Thursday evening which is covered in the cost of the trip. We also will be ordering a T-shirt, pullover, or sweatshirt with an embroidered outline of the state of Maine and inside it will say "South East ATV Riders, Jackman, Maine, June 2010." This is also covered in the cost of the trip. More details in April.
