## Meeting Highlights (A Brief Summary Only)

32 people attended our October meeting.

Thank you to Tim Palek for the October meeting's meal, he brought pizza and rigatoni. Bob Jakubiec will be providing the meal for our meeting in November.

At the meeting we had three new members. Ryan joined through talking with Doug Kelly, Dominic joined after our Labor Day ride at the McConnell's, and returning after a year off "Big Cheese" Wayne Hicken

has rejoined our club.

At the meeting our Vice President, Keith Wyant, reported that there were 65 active memberships. Membership dues are to be paid by the end of the month or unpaid membership will be listed as inactive and membership benefits will not be extended to those still unpaid.

Our President, Harry Edwards, reported that our annual Reverse Raffle will be held at La Vera like it was last year.

More information on the Reverse Raffle will be coming soon.

This year membership apparel will not be the pullovers from last year but rather travel mugs.

## Clambake Recap

Our annual Clambake was held at Mines and Meadows on October 17th. 84 people gave their RSVP and nearly everyone was able to come. The conditions at the campgrounds could best be described as muddy, bordering on soupy. A few rigs had some trouble getting up the hill, but nothing a little extra horsepower and 4WD couldn't fix. The riding conditions were rather muddy but no serious problems getting stuck were reported. There was only one incident while riding that happened on the hill climb but no serious injuries. Although the caterers were late they eventually rolled in and got cooking. Everyone got a dozen clams, a cornish chicken, and a sweet potato. Many people also contributed by bringing desserts. Despite the cold wet weather, most everyone had a good time and the clam bake will continue to be an annual tradition.

## President's Report

Our annual club clambake was well attended with was held at Mines & Meadows in Wampum PA. The weather could have been a little warmer, but at least it was not a steady rain no was there any of that white stuff falling from the sky. I would like to say THANK YOU to all of you that contributed to make this year's clambake successful. As mentioned at our last meeting Maryanne & I will head up the Reverse Raffle Committee for this year, the date is March 27, 2010. We will soon be posting a signup sheet for volunteers.
